

# Student Learning: Education for Sustainability-Arts Grade 4-12

# Artist Residency Programs can address sustainability topics, such as:

- Ecological Systems
- Waste
- Energy
- Health and wellness
- Social & Cultural Systems

Artist residencies use one or more of these educational approaches:

- Inquiry based
- Experiential
- Place-based
- Interdisciplinary

# Common Planning Time Is Essential

## Teachers Involved at Montclair Co-op School:

Art Specialist  
Math Teacher  
Science Teacher  
Technology Teacher

# Washington Elementary School Trenton, NJ

## Mural Residency

Students explored their identities, the school community, the local community and the local environment

# The finished work:
