

## Climate Science for Teachers:

Do you want to TEACH ABOUT CLIMATE CHANGE?

January 31 for Teachers of grades 5-8

February 7 for Teachers of grades 9-12

Sponsored by  
**OASIS (Organizing Action on Sustainability In Schools) &  
Rutgers University, Climate Institute**

© 2015 CHRISLINDER

Improve your understanding of climate science.

Develop effective teaching and learning practices to teach about climate science at your grade level.

Explore a changing climate from multiple points of view including science, policy, and culture.

**FREE & PD credit available**

**Location:** Princeton Day School, Princeton, NJ.

**Who Should Attend: PREREGISTRATION REQUIRED**

- Middle School teachers: Jan. 31, 2017 -- 4:30-6pm
- High School teachers: Feb. 7, 2017 -- 4:30-6pm

Teaching by Professor Tony Broccoli, Rutgers Climate Institute
