

FACILITY DEPARTMENTS IN SCHOOL DISTRICTS LARGE OR SMALL
ARE FACED EVERY DAY WITH GETTING OUT OF THE 80'S AND INTO
THE 21st CENTURY

FACILITIES NEED A PATHWAY TO FOLLOW THAT IS SUSTAINABLE

START WITH A PHILOSOPHY YOU CAN WORK WITH

MUST HAVE BUY-IN AND RECEIVE FULL SUPPORT

HOW TO GET STARTED: DISTRICT OR DEPARTMENT GOALS

QUESTIONS TO ASK YOURSELF

- How do I Move Forward?
- Does the District have a Green Team?
- How Do I Get Buy-In?
- Did I do a District Energy Audit?
- Is There Someone on the Educational Side?

- Begin to “ACCEPT & EMBRACE” Sustainable Jersey for Schools.
- Be a part of your Districts "**Green Team.**"

GREEN TEAMS

- Be part of the district or school **Green Team**
- Either yourself, supervisor or head custodian to represent Facilities
- Challenge the SJFS “Program’s Actions”
- A school **Green Team** is a vehicle that leads to Efficiencies & Grants.

3-THINGS THAT LEADS TO ENERGY SAVINGS IN SCHOOLS

1. Raise awareness among teachers, staff & students
2. Managing school building operations
3. Upgrading mechanical equipment & controls

SUMMARY to SUCCESS

- Make the Choice to Embrace the Program
- **Green Teams** are your Vehicle
- Everyone Buys into a **Green Team**
- Sustainable Jersey for Schools “Proven Actions” are your Philosophy to Follow & Implement
