September Certification Webinar Series

For those looking ahead to 2019 bronze or silver certification, mark your calendars for our fall webinar series!

[September 12, 3-4pm Navigating the Application:](#)

Learn about the Sustainable Jersey for Schools application website and certification process. Participants will learn how to add users, upload documentation, and use application features to make progress towards certification.

[September 19, 3-4pm Preparing for Certification:](#)

Sustainable Jersey for Schools certification is good for three years at a time. If you are one of over 30 schools with a certification expiring in August 2019, you will want to attend this informative webinar on the re-certification process. Participants will learn how to determine which actions need to be updated for re-certification and how to make a game plan for maintaining Sustainable Jersey for Schools certification for 2019 and beyond!

[September 27, 3-4pm Strategizing for Silver Certification:](#)

Sustainable Jersey for Schools Bronze certification is just the beginning of your school's sustainability journey! Learn how to make a plan to take your certification to the next level and get recognized for Silver certification (350 points and up).

Sustainable Practices Working Sessions

As part of their commitment to helping schools across New Jersey reach their sustainability goals, NJSBA, in collaboration with Sustainable Jersey for Schools, is offering members and school district personnel an opportunity to attend a free one-day Sustainable Practices Working Session. In this session participants will review a Sustainability Wellness Check, which will be in alignment with the Sustainable Jersey for Schools certification program. This is the perfect opportunity to gather your green team and strategize for certification and cost savings in 2019!

The free program begins at 9 a.m. with registration and a continental breakfast beginning at 8:30 a.m. Repeated sessions are offered through February 2019.

2018 GOVERNOR'S ENVIRONMENTAL EXCELLENCE AWARDS

Nominate your school or district!

New Jersey's leaders in a variety of public and private sectors are invited to submit nominations showcasing their environmental accomplishments by applying for consideration in the annual Governor's Environmental Excellence Awards program.

The excellence awards honor outstanding environmental performance, programs and projects from around the state. Awards are given to individuals, businesses, institutions, communities, organizations, educators and youth who have made significant contributions to protecting the environment in New Jersey. Since its establishment in 2000, the program has honored 170 winners for their environmental achievements.

Nominations may be submitted through **Friday, Oct. 5** in these categories: Clean Air, Water Resources, Healthy Ecosystems and Habitats, Innovative Technology, Land Conservation, Healthy and Sustainable Communities, Healthy and Sustainable Businesses, and **two categories in Environmental Education: Educator-Led and Student-Led Projects**.

For a 2018 nominating application and other awards information, visit <https://www.nj.gov/dep/awards/>
