## **Housekeeping Requests**

- All attendees are muted
- Ask questions in the question box
- Recording will be posted on the [Webinars](#) page of the Sustainable Jersey for Schools Website

The PSEG Foundation  
is contributing  
\$100,000 to support  
a 2022 Sustainable  
Jersey Grants  
Program cycle for  
public schools and  
school districts

**PSEG**  
*Foundation*

# Available Funding

- Each school and district is only eligible to receive **one** grant per cycle
- A school can apply for **one large grant** (\$10,000) **and/or one small grant** of \$2,000
  - Districts are only eligible to apply for a \$10,000 grant
- If two applications are submitted, the application for the larger grant will be considered first
- If the larger grant is selected for funding, the application for the \$2,000 grant will no longer be eligible for consideration

# Use of Funding

<u>Funding Level</u>	<u>Use of Funds</u>
<b>\$10,000 Project Grants</b>	<ul style="list-style-type: none"><li>• Fund all or part of a project that will earn points toward a Sustainable Jersey for Schools <a href="#">action</a></li><li>• The <a href="#">Innovation Project</a> actions are acceptable</li><li>• The project should leverage partnerships with community resources and include an outreach component focused on promoting community awareness of the project</li></ul>
<b>\$2,000 Green Team Grants</b>	<ul style="list-style-type: none"><li>• General operating support and direct expenses for green teams</li><li>• Funds may be used for a project related to an action in the Sustainable Jersey for Schools program</li></ul>

# Energy Projects: Ineligible Projects

## Energy Efficiency Upgrades

Due to funding available through [New Jersey's Clean Energy Program](#) (NJCEP) for **energy audits** and **energy efficiency** projects (i.e. lightning, furnaces, etc.), these activities are **NOT** eligible for funding in this cycle.

## Electric Vehicle Charging Stations

**EV charging station(s) installation projects are NOT eligible for funding.** Applicants interested in installing EV charging stations should apply for [NJDEP's "It Pay\\$ to Plug In" program](#) and/or [NJBPU's Clean Fleet EV Incentive Program](#).

## Summary of Available Project Resources from Partner Organizations

Review **Attachment 1** of the [Application Information Packet \(AIP\)](#) for information on other funding resources and incentive programs, such as those available for energy-related program.

# Energy Projects:

## Alternative Fuel Vehicle Purchases

The purchase of electric vehicles (**except for Class 4-8 medium and heavy-duty vehicles**) is NOT an eligible project for this grants cycle.

### Class 4-8 Medium and Heavy-Duty Vehicles

Vehicle types include:

- Pick-up trucks
- Utility trucks and vans
- School, shuttle, and transit buses
- Garbage trucks
- Delivery/freight trucks
- Snow removal vehicles

### Additional Resources for EV Purchases

Can apply for funding in [NJBPUs Clean Fleet EV Incentive Program](#).  
Deadline to apply is May 1, 2022.

The Sustainable Jersey [Alternative Fuel Vehicle Procurement Guide](#) and a [resources flyer from NJDEP](#) provide information on other purchasing opportunities.

Additional resources include [NJDEP's Stop the Soot Grant program](#) that provides incentives to replace diesel vehicles with electric and for eMobility projects, and [NJEDA's NJ Zip program](#) that provides incentives for medium and heavy duty vehicles in select urban areas.

# Projects for Points

**Think outside the box!**

- **Typical grant submissions include:**
  - Garden-related projects
  - Plastic reduction campaigns
  - Recycling initiatives
  - Programs to promote physical activity
- **What you should consider:**
  - Identifying a need within your school or district
  - Looking at the Sustainable Jersey for Schools actions to determine where you might need financial assistance to address any of the requirements

Play It Again, Toms River

# Online Application

**Deadline: Friday, March 11 at 11:59pm**

**App Link: <https://webportalapp.com/sp/psegschoolsgrants>**

## STEP ONE: Create a Grant Account for Your School or District

Review **instructions** on how to create a grant account [here](#).

The screenshot displays the Sustainable Jersey Grants Program web portal. At the top left is the logo: "FOR SCHOOLS SUSTAINABLE JERSEY CERTIFIED". The main header features the text "Sustainable Jersey Grants Program" over a background of a plant growing from a stack of coins. Below the header, there are two main sections: "Sign In" and "Sign Up".

**Sign In Section:**

- Section: Sign In
- Field: Email
- Field: Password
- Button: Log In
- Text: Need an Account?
- Button: Sign Up

**Sign Up Section:**

- Section: Sign Up
- Text: Enter an email address and choose a password to create a new account.
- Field: Email
- Field: Password
- Field: Confirm password
- List of requirements:
  - Must contain at least one lowercase letter
  - Must contain at least one uppercase letter
  - Must contain one number
  - Must be between 8 and 32 characters
  - Must not be an email address
- Text: Passwords must match
- Button: Sign Up

A black arrow points from the "Sign Up" button in the "Sign In" section to the "Sign Up" section. A red box highlights the "Need an Account?" text and the "Sign Up" button in the "Sign In" section.

Thank you for signing up for a Sustainable Jersey Grants Program account! As the primary grant contact, you will use this account to submit grant applications in Sustainable Jersey Grants Program cycles and, if any of your applications are selected for funding, the required reporting requirements. Before moving forward with a grant application, you must first create a Profile for your grant account.

Please click "Create a Profile to Get Started" to begin. You can always edit your Profile by clicking "Edit".

You cannot move forward until you have completed your Profile.

## STEP TWO: Create a Profile

The primary application contact has to be a school or district employee. If working with a consultant who plans on submitting the application on behalf of the school or district, they should submit it using a school or district grant account with a proper primary contact.

Please note that each individual school will need its own account. Any district applications must be submitted through a district account.

# STEP THREE: Ready to Start a Grant Application

Homepage

Welcome, vollmerk@tcnj.edu 

Thank you for signing up for a Sustainable Jersey Grants Program account! As the primary grant contact, you will use this account to submit grant applications in Sustainable Jersey Grants Program cycles and, if any of your applications are selected for funding, the required reporting requirements. Before moving forward with a grant application, you must first create a Profile for your grant account.

Please click "Create a Profile to Get Started" to begin. You can always edit your Profile by clicking "Edit".

You cannot move forward until you have completed your Profile.

Profile

Complete

Edit

Thank you for filling out the profile form for your grant account. Now you can move forward with completing a grant application for the 2021 Sustainable Jersey Grants Program cycle funded by the PSEG Foundation.

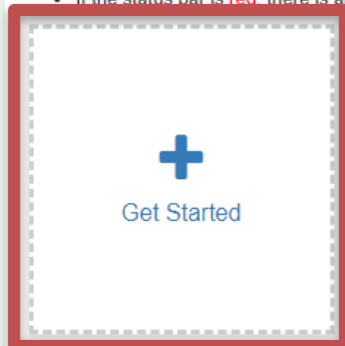

Schools and School Districts are each eligible to apply for one \$10,000 grant. An individual school may also apply for a \$2,000 grant in addition to a \$10,000 grant. However, schools can only receive one grant with the \$10,000 grant being considered first. School districts are not eligible to apply for a \$2,000 grant. Consider reviewing the FAQ page [here](#) or by clicking the "gear" icon in the upper-right corner and selecting "help". The gear icon is also used to logout of the application. It is also recommended that you review the [Application Information Packet](#) before getting started.

The grant application consists of three parts:

1. **Schools Grant Proposal** - due 4/30/2021
2. **Current SJS Status** - due 4/30/2021
3. **Grant Authorization Doc**- due 5/21/2021

To begin, click "+Get Started" below. When you return to this Homepage, you can see the status of your submission by the colored status bar below the submission card.

- If the status bar is **gray**, your submission is under review, and no action needs to be taken.
- If the status bar is **blue**, there is an action required. Click on the Submission Card to complete.
- If the status bar is **red**, there is an error. Please reach out to the Administrator of this program.

\* Not required from schools, or districts with at least one school, **currently certified** in the Sustainable Jersey for Schools program

# Section One: School Grant Proposal

## Preliminary Questions

- Choose from a drop down – submitting a school or district application
  - **School Applicants:** choose from a drop down – either **\$2,000** or **\$10,000**
  - **District Applicants:** choose \$10,000 from the drop down (ineligible for 2k grant)
- Schools will have to submit two separate applications if applying for a large and a small grant
- \$10,000 grant applicants are required to provide more information than \$2,000 grant applicants
  - Must answer this question first before all fields in the form will show

### TIP! Apply for a Large AND a Small Grant

**Maximizes your chances of getting funding** – the applications can be for the same project or you can apply for two different projects/green team support. If applying for the same project, make sure that you create a budget specific to the \$10,000 grant and the \$2,000 grant. The same grant authorization resolution or letter can be used for both applications.

# Section One: School Grant Proposal

## Sustainable Jersey Grant History

- **Previously-awarded grants** from the Sustainable Jersey Grants Program can affect your school or district’s eligibility to apply for another grant
  - Review the eligibility chart for previous grant recipients
  - Schools are eligible to have two open grants at one time—one “large” grant and one “small” grant
- **Outstanding Grants** (Open Past Original Reporting Deadline)
  - Unable to apply for any grants until the outstanding grant is closed
  - Still the case if the previously-awarded grant has an extension
- Open grants in an individual school **do not affect** the district’s or any other schools’ eligibility to apply for a grant—all are considered separate entities

### TIP! Find Out if You Can Close a Grant Out In Time

As long as the project is finished, a grant can be closed out by submitting a **final report**. Contact Kaitlyn Vollmer at [grants@sustainablejersey.com](mailto:grants@sustainablejersey.com) or at 609-771-3189 to see if your school or district has any open grants and what your close-out options are. It may be possible to close out a grant in time.

# Section One: School Grant Proposal

## Applicant Information

- **School/District Name and County**
  - Search for your school/district name via the search bar and this information will auto-fill
  - Please note that schools/districts with the same name may have to try clicking on more than one name before finding the one assigned to the correct county
- **NJDOE School District Code**
- **District Employer Identification Number (EIN)**
  - Ask your fiscal contact for this

# Section One: School Grant Proposal

## Applicant Information

- **School Applicants Only**
  - Type of School Applicant (Elementary, Middle, or High)
  - School Student Population
  - Percentage of Students in School on Free or Reduced Lunch

### **TIP! Searching for Your School's/District's Name**

If you are having trouble finding your school's/district's name, check the [Participating Districts and Schools Map](#) to ensure you are using the name as it appears on our website. Also, please note that the names are listed in alphabetical order, first by school, then by district and then by county—so Memorial Elementary School in the East Brunswick Township School District in Middlesex County is listed before the one in the Emerson Public School District in Bergen County; Franklin Township School District in Hunterdon County will be listed before the one in Warren County; etc.

# Section One: School Grant Proposal

## Application Contacts

- Provide the name, email address, phone number, and phone number extension (if applicable) for the following contacts:
  - Superintendent (title not needed)
  - Principal (**only for School Applicants**)
  - Fiscal Contact (will also need mailing address)
  - Media Contact (optional)

### TIP! Media Contact

While it is not required to have any kind of a media contact, let alone a formal one, we encourage you to assign the role to one of your **project team members**. Community engagement is an important aspect of every grant project, especially the large ones, so it is good to have someone responsible for project promotion.

# Section One: School Grant Proposal

## Grant Proposal

- **All Grant Applications Must Include:**
  - Project Title and Brief Description
  - Action Plan and Timeline
    - ☞ Can use the template available [here](#)
  - Budget Narrative and Detailed Project Budget
    - Can use the budget template available [here](#)
- **Only 10k Grant Applications Must Include:**
  - Project Team
  - Community Engagement
  - Project Impact and Evaluation
- **Optional Information (Letters of Support, Background Info., etc.)**

### TIP! Review the Evaluation Criteria

Before getting started on the proposal, review the evaluation criteria for the grant you are applying for [here](#).

# Section Two: Current SJS Status

## Check Your School's/District's Current Program Status

- Did you check the [Participating Schools and Districts Map](#)?
  - Ensuring this information is accurate and up to date is important
  - Even if a school was certified in the past, certification only lasts for three years and can be expired at the time of the grant application
- What does the map say your school's/district's status in the Sustainable Jersey for Schools program is?
  - **Schools:** Not Registered, Registered, Certified Bronze, Certified Silver
  - **District:** Not Registered, Registered (**Districts cannot be certified**)

### TIP! Not Registered? No Problem!

Registering in the Sustainable Jersey for Schools program is free and easy. You can learn more [here](#). If you are at least in the process of registering by 3/11, your application will still be considered. However, if you not registered by the time the grant awards are decided, you will be unable to receive a grant. If you need assistance, contact Véronique Lambert at [schools@sustainablejersey.com](mailto:schools@sustainablejersey.com) or at 609-771-3427.

# Section Two: Current SJS Status

## Green Team Documentation

- **Currently certified schools or districts with at least one certified school DO NOT need to provide this information**
  - We already have it via your latest certification report
- **Otherwise, we need the following green team documentation:**
  - List of green team members
  - Summary of green team activities

### **TIP! Don't Have a Green Team? No Problem!**

**You can either create a district or school green team or appoint an existing group to act as the green team.** District green teams are created by resolution whereas school ones can be created via a letter from the principal. You can follow the instructions available [here](#). It is okay if your green team is the same as your project team.

If you are at least in the process of creating a green team by 3/11, your application will still be considered. However, if do not have a green team by the time the grant awards are decided, you will be unable to receive a grant. If you need assistance, contact Véronique Lambert at [schools@sustainablejersey.com](mailto:schools@sustainablejersey.com) or at 609-771-3427.

# Section Three: Grant Authorization Doc

## Grant Authorization Documentation

- Upload either a **signed and dated School Board Resolution** supporting the grant application **OR a letter from the superintendent, business administrator, or school principal**
  - A template resolution can be found [here](#) and a template letter [here](#)
  - The document must name the specific Sustainable Jersey grants cycle, the requested funding amount(s), and the name of the applicant
- **A grant authorization document must be submitted no later than by the end of the day on Friday, April 8**
  - If adopted a resolution, it is recommended that the school/district **begins the process as soon as possible** to ensure it is adopted by the deadline

### **TIP! Make Sure You Upload the Correct Resolution**

**This resolution is DIFFERENT than the resolution required to register in the Sustainable Jersey for Schools certification program OR to establish a green team.** If you have questions about the resolution or want your draft resolution checked by Sustainable Jersey staff, please contact Kaitlyn Vollmer at 609-771-3189 or at [grants@sustainablejersey.com](mailto:grants@sustainablejersey.com).

# Selection Process

All **\$10,000** proposals will be reviewed by a Blue Ribbon Selection Committee composed of experts from the public and private sectors.

All **\$2,000** grants will be awarded based on the green team's commitment to advancing sustainability initiatives in the school and how the proposed activities will lead to the successful completion of specific Sustainable Jersey for Schools actions.

# \$2,000 Evaluation Criteria

All proposals are evaluated based on...

Project  
Description  
n

Budget

Action  
Plan &  
Timeline

- Up to 50% of the grant funds will be reserved for certified schools or districts with at least one certified school
- Efforts towards Sustainable Jersey for Schools certification are considered
- The regional distribution of grants throughout the state is considered

# \$10,000 & \$20,000 Evaluation Criteria

# Project Description

- The description concisely summarizes the specific project to be funded by the grant award

## TIP! Project Selection

- Think “outside the box”
- Identify all requirements associated with the project
- Consider community dynamics when crafting your proposal so it’s successful
- Consult stakeholders before settling on a plan
- Understand your capacity

# Project Team Members

- The designated project team appears qualified to undertake the proposed project
- The project team includes representation from municipal and community stakeholder groups that will be involved in or impacted by the implementation of the proposed project

## TIP! Building Your Team

- Include representation from stakeholder groups that will be involved/impacted by the implementation of the project like municipal staff, residents, the school community, etc.

# Action Plan & Timeline

- Includes the steps needed to successfully complete the project
- Identify the target completion dates to ensure project completion after 18 months (12-month for 2k grants)
- Identify ribbon cutting ceremonies or milestone events
- Cannot submit a proposal for a project already underway or completed.
- Efforts to be funded by the grant cannot start until after the grant announcement event in **early**

Please use this form to outline the specific steps or tasks needed to complete the proposed project. These steps include project planning, implementation, community outreach and evaluation. Identify the target completion date for each step to ensure the project can be accomplished by the end of the performance period. Include plans for ribbon cutting ceremonies and milestone events. Implementation steps should **NOT** begin until after the grant is awarded at the press announcement event. Additional lines can be added.

# Action Plan & Timeline

- Identify ribbon cutting ceremonies or milestone events

## TIP! Project Planning/Implementation

- Consider administrative delays, such as the procurement process and plan time for paperwork
- Research the products you plan to use
- Plan ahead for summer months/downtime
- Spend time and resources to train volunteers
- Try to plan for the unexpected – always have a “plan B”

# Community Engagement

- The proposed project will capitalize on collaborations between community stakeholders including representatives from the schools, municipal and county agencies, civic or community-based organizations, non-profits, professional organizations and local businesses
- Details on how the project will be shared with the community are included

## TIP! Building & Engaging Your Team

- Recruit volunteers early on
- Identify and involve all relevant parties from the beginning
- Get students/youth involved
- Keep meetings short, timely, meaningful and efficient

# Project Impact & Evaluation

- The project will augment existing green team efforts and contribute toward making progress in the Sustainable Jersey for Schools Certification program
- The proposed project is unique, innovative and addresses a specific need
- What the project hopes to accomplish is clear and relevant background information is provided to better understand the impact of the project
- Who will benefit from the proposed project (staff, students, etc.) and how is clearly articulated

## TIP! Project Selection

- Propose a project that capitalizes on collaborations between municipal and district/school stakeholders
- Consultant-driven projects should feature a green team component

# Budget

- The Budget Narrative clearly summarizes project expenses and identifies all the sources of funding needed to complete the proposed project, including in-kind contributions such as volunteer hours
- The project leverages no or low cost resources to cost-effectively complete the proposed project
- It is clear that all additional funding besides the grant is in-hand or committed

# Budget

- The detailed project budget is consistent with the Budget Narrative and clearly identifies the eligible project expenses that will be billed to the grant
- The budget is realistic, costs are justified and resource contributions, including in-kind, have a reasonable value
- Promotional items including “give-aways” (i.e. T-shirts, water bottles), incentives, refreshment or awards do not comprise more \$1,000 of the proposed grant budget for 10k grants and \$200 for 2k grants

## TIP! Budget

- Leverage no or low cost resources to cost-effectively complete the project
- Detailed budget consistent with budget narrative
- Budget is realistic, costs justified, resource contributions have reasonable value
- Keep in mind promotional item value limits
- Include shipping costs

# Budget

- Itemize expenses from all sources of funding
- Quantify any in-kind contributions
- Eligible expenses include staff stipends, consultant or contractor service fees, equipment, project supplies, training and educational materials, and promotional items (including meeting supplies, incentives or awards).
- Ineligible expenses include facilities/administrative (overhead) costs.

## Sustainable Jersey for Schools Grants Program Budget Template

Matching or in-kind contributions are encouraged, but not required. If the proposed project will be 100% funded by the grant, do not enter anything in the Other Funding Sources column. If other funding will be used to complete the project in conjunction with the grant, please identify the amount in the Other Funding Source column and identify the source of the additional funding, if it has been secured, and any other details deemed necessary to include in the Budget Narrative. Other sources of funding can include district funding, other grant funds, or in-kind contributions such as non-cash donations, staff time, and volunteer time. It is advisable to quantify any in-kind contributions. The Blue Ribbon Selection Committee looks favorably on budgets that make the best use of available, low-cost resources and show support from the school community and other stakeholders. In order to upload your budget to the grant application, you must convert the excel document into a PDF. Please make sure that the rows and columns in the PDF are not cut off due to page breaks. To ensure this, select the 'fit to paper width' option when saving as a PDF.

# STUDENT CLIMATE CHALLENGE

**It is not too  
late to  
register!**

The Challenge is free and open to all New Jersey public schools serving students in grades 6 to 12. Students identify and complete a school or community project to address a cause or impact of climate change and create a short video about their experience.

Schools with first, second and third place winners will receive a grant ranging from \$2,500 to \$500 to advance their climate education initiatives. The students and their teachers will be recognized at an awards ceremony hosted by the Drumthwacket Foundation with the New Jersey Governor and First Lady.

Teachers can [register](#) to participate and integrate the Climate Challenge into their classroom or club activities here. To support and inspire student action, educational sessions will be offered for students and teachers starting in February. Learn more [here](#).
